PHILOSOPHY

Fragrances are able to create or influence an atmosphere, both consciously and subconsciously, they have the ability to affect our moods and our impressions. They quicken our senses and form the character of sentiments. On the route through the world of perfume creations on the continual search for the ultimate scent few fascinating creations crossed our way which had a magical impact. Their irresistible character was determined due to the richness of facets and distinctive opulence. Using this know-how the necessity developed stronger and stronger to present these fascinating creations to the world of perfume connoisseurs. The result is a unique selection of excellent and exceptional Eaux de Parfum that were exclusively created for LINARI by international top-perfumers. In a fast moving world LINARI makes allowance to the wish of the individual. Emphasising all that LINARI stands for, namely unsurpassed fragrances combined with timeless, modern design. All LINARI products are created by German born designer Rainer Diersche, starting with the initial shape-forming concept to the final design of the end product.

THE PERFUMERS

Based in New York, self-taught French master perfumer MAURICE ROUCEL is one of the most admired perfume designers of the contemporary world. Acknowledged with awards and widely acclaimed for his versatility and freedom of style in creating brilliant fragrances, he truly believes in beauty and sensuality. His unique signature is streamlined, fearless and courageous creations, in which he retains only what is essential. Maurice's creation: ACQUA SANTA

Considered to be one of the most inspired perfumers in the contemporary time, German-English MARK BUXTON's creative world is based in Paris. Concentrated passion combined with precision characterise his strengths. Mystic creations, subversive, provocative, enthused with urban jungle. His creations: DRAGO NERO // CAPELLI D'ORO // ANGELO DI FIUME // NOTTE BIANCA // PORTA DEL CIELO // MARE PACIFICO // STELLA CADENTE

In the world of fragrance the EGON OELKERS name stands unrestrainedly for discreet luxury, beauty and harmony. New York, Paris, Geneva and Hamburg, are the stations of 40 years of his creative life. Egon's style: Extremely sophisticated compositions yet reserved whilst opulent. Always finely balanced between fruity, flowery, spicy and woody notes. Egon's creations: ELEGANZA LUMINOSA//VISTA SUL MARE//FUOCO INFERNALE

DRAGO NERO

Unique and special DRAGO NERO pays tribute to the soul of the Vetiver, expressing its personality with extraordinary varieties from Haiti and Java. Lively and intoxicating, the Eau de Parfum preludes with the citric tartness of bergamot and the ripe juiciness of Calabrian mandarins that join with the exotic sweetness of pineapple and silky magnolia blossoms. Carnation blossoms and bourbon peppers are the first messengers of the passionate fragrant heart, which is characterized by a breathtaking bouquet of graceful orange blossoms, magnificent roses, majestic velvety irises and earthy-powdery violets. Selected varieties of vetiver bring freshness and tartness, their grassy-salty and equally creamy nature is accompanied by balsamic gaiac wood and the warmth of precious amber. Arnica, oak and sandalwood complete the creation that resonates with a harmonious and long-lasting drydown.

TOP: Calabrian Mandarin, Calabrian Bergamot, Magnolia, Green Apple, Pineapple, Madagascar Pepper // **HEART:** Turkish Rose, Carnation, Iris, Orange Blossom, Violet, Arnica // **BASE:** Gaiac Wood, Haiti Vetiver, Java Vetiver, Musk, Amber, Oakwood, Sandalwood, Tonka Bean, Ambrarome // **PERFUMER:** Mark Buxton

CAPELLI D'ORO

An irresistibly fresh fruity mixture of black currant and exquisite muscat wine with a tangy accord of mandarin and juicy bergamot, combined with a luminous heart note of water jasmine, grapefruit and fine Turkish rose, enriched with a hint of magnolia. The long-lasting, sensual feminine dry down swings between a creamy sandalwood note and a powerful musky note with a resonating touch of modern cedar accords.
